EDUCATION SERVICE

7 October 2021

Dear Richard,

Congratulations to you, governors, leadership team, staff and pupils on this excellent Diocesan inspection report.

This is such a positive report to read and it highlights so well all the hard work undertaken to move the school forward. The structures and systems put in place have certainly raised standards in Religious Education and improved pupils' religious literacy. It is marvellous to hear that RE is at the heart of Our Lady and that it is a subject that is deemed 'exciting'. You and your team have developed a vibrant and lively Catholic community where the richness of our tradition can be experienced. A real strength of the school is its emphasis on 'service' and the many opportunities that pupils have to contribute to their community. I have no doubt that your focus on the Common Good will continue to reap rewards when your pupils play their part as adults in society.

The report has now been published on the Diocesan website; it is therefore ready for you to share with parents and to publish on your own website.

I know you have given me some feedback already, but I have attached a monitoring form for you to complete and return to me. We want to improve the quality of what we do and any further reflections on the process will help us with that.

With every good wish and warmest congratulations.
