27<sup>th</sup> September, 2019

Dear Parents and Carers,

The governing body under Paraic McKenna's leadership has worked hard with Mr Curry, the teaching and support staff to ensure we are able to deliver a school environment and curriculum which helps your children to learn and reach their potential.

However, Paraic has decided that after 12 years, he will retire from the role as Chair of Governors. On behalf of the board of governors I'm sure you will join me in thanking Paraic for his considerable input into the role over his time with us at Our Lady Catholic Primary.

Following on from our full governor body meeting on Tuesday 24<sup>th</sup> September, I am delighted to step up as the new interim chair of governors. We have recently said goodbye to Governors who have completed their terms and hello to others who have been appointed. If you are interested in seeing the whole team, please do have a look on the website.

Already this year we are working on the School Development Plan and working hard to ensure that all of our children are able to access the best spiritual and academic education that we can offer. As always, we do encourage you all to be as involved as possible in your children's education and we welcome you to all of the events that Mr Curry invites parents to in his newsletters. We also very much hope to see you at parents' consultations and at all of the joyful masses and PTA events. Thank you for your considerable support.

As a governing body, we will continue to monitor and challenge the progress of the children, the staff and the school to ensure that Our Lady Catholic Primary School is able to create and sustain a rich learning environment in which each child can develop their full potential spiritually, intellectually, physically, socially and morally, building upon the skills which you have fostered in your child at home.

Kind regards,

Jessica Wall
