Dear Parents/Carers,

I hope that you are all keeping well and that you all had a very restful and relaxing half term break. As we journey through Lent, I thought I would share with you some important news. We are beginning our series of online Lenten reflections today, which will be shared with our school community each week throughout this important season.

These reflections will provide our school community with a wonderful opportunity of coming together as we try to deepen our relationship with God throughout Lent. The reflections will be uploaded onto our school website and our links will also be shared on our Facebook and Twitter platforms each week.

Today's reflection can be viewed by clicking on the following link:

There will also be further events celebrating Holy Week towards the end of the term, which will be shared with you in the coming weeks.

Thank you very much for your continued support.

With every good wish for a blessed Lent.

Richard Curry
