Dear Parents/Carers,

Our school recognises the value of quality playtime experiences for all our children. To acknowledge this, we are embarking on a programme called OPAL, 'Outdoor Play and Learning' and over the next 18 months- 2 years will be looking to develop our outdoor space and the play opportunities we offer.

As part of this process, we will be listening to all those involved; children, staff, parents and our governing board.

In order to help us, we would like to understand what you think of your children's play/lunchtimes; find out a little bit about your own play experiences as a child and listen to any ideas you may have for improving play at our school.

Please help us by completing the survey on:

We really value your input and support. If you could complete the survey by Friday 10th November at the latest, we would be ever so grateful!

Thank you for your ongoing support in our quest to provide the very best learning and play opportunities for our children.

Kind regards,

Richard Curry
