6th January, 2026

Dear Parents and Carers,

A HAPPY, BLESSED AND PROSPEROUS NEW YEAR TO YOU ALL!

My first letter of 2026 comes with my very best wishes for a wonderful new year for all of you. I trust that you have all had a chance to relax, reflect and enjoy the company and love of your families over the Christmas holiday period. On behalf of all the team at Our Lady's, I would like to thank you for your generosity over Christmas – it was truly appreciated by all of us. Thank you very much!

Epiphany Mass:

It was such a joy to celebrate the mass this afternoon to mark the Feast of the Epiphany, to commemorate the visit of the wise men to worship the baby Jesus. This afternoon's service was celebrated by Fr. Norbert and it was such a wonderful sight seeing all of our children (and staff) attending mass wearing their glorious crowns – to represent the Magi. It was also a lovely way to start the new term for the school community and it was so nice to see so many parents, carers and friends of the school at the church. We hope you enjoyed the service.

Nursery and Reception Class Admissions for September 2026 (for children who reach the age of 3 or 4 between 1st September 2025 to 31st August 2026):

We are delighted to say that our school is extremely popular and we have had a great deal of interest in both our Nursery and Reception places - but we would not like any of our families to miss the deadline for applications for admission to our school in September 2026. If you have a child who reached or will be reaching the age of 3 between the above dates and you would like them to join our Nursery class (which includes 30 hours provision), **or** you have a child who reached or will be reaching the age of 4 between the above dates and you would like them to join our Reception class, please ensure that your application forms are handed in before **January 15th 2026**.

Class Assemblies:

This term sees the return of our very popular class assemblies, which provides the children with the opportunity of sharing their work with an audience (i.e. *you* – the parents). The children are delighted when their parents and carers attend and you are always welcome, whether it is to see your own child's class or another year group. Assemblies will begin at 2.45pm.

The dates for the assemblies this term are as follows:-

Wednesday 28 th January	–	Year 1
Wednesday 4 th February	–	Year 2
Wednesday 11 th February	–	Year 3
Wednesday 4 th March	–	Year 4
Wednesday 11 th March	–	Year 6

Year 5 will be presenting a very special Lenten Assembly based on the 'Journey to the Cross' at **2.15pm on Wednesday 25th March, 2026.**

Maths Workshop:

We are delighted to announce that we will be running a Maths workshop for parents and carers of all classes in the spring term. In this session, Mrs Avery will be explaining how maths is taught at our school and sharing some key strategies with you. Parents and carers attending will also have the opportunity to take part in some activities with their children, making it a family based workshop.

Mrs Avery will also be showing you how the teaching of maths progresses from one key stage to the other. This workshop will take place on **Friday 13th March at 9.00am** in the school hall and is free of charge.

We are planning to deliver more parent workshops in the summer term and hope to further strengthen the positive relationships that the school has with our parent community. Working in partnership with our parents and carers will ensure that our children receive the very best education that they can at our school.

Themes and Values:

To support the delivery of our Catholic Social Teaching curriculum, this half term's whole-school theme is 'Family and Community'. The two values which we are associating with this are 'Love' and 'Helpfulness' and the importance of our families and our community will be explored in our RE lessons. Our whole-school theme will change on a half termly basis and will always be supported by two of our Gospel values.

Uniform:

We are really grateful to all parents for supporting our uniform code. Our school uniform can be purchased from Smarty Schoolwear stores (which are located in Hatfield, Stevenage and Potters Bar) or on-line from the Smarty Schoolwear website:
